by the following organizations:**

## National Association for College Admission Counseling

### **Continuing Education Report Log Form**

#### **INSTRUCTIONS**

The National Association for College Admission Counseling (NACAC) has been identified by the National Board of Certified Counselors (NBCC) as an approved provider of Continuing Education Units (CEUs). Participants in state and regional sponsored conference/workshops and related training activities will receive CEUs that can be applied toward the professional education requirements of NBCC for maintaining certification. No charge is required for CEU processing for National Training for Counselors and Mentors (NT4CM) training.

Conference and workshop participants can earn CEUs under NACAC's NBCC provider number if they follow these guidelines:

1. Participants must sign in at the workshop and log or record their participation in the NT4CM module(s) of their training (see page 1 of this form). An individual "honor" system approach is acceptable.
2. Ten (10) contact hours equal one (1) CEU. One tenth of a CEU is awarded for each full hour of participation in a workshop, content session, or related professional activity.

**This CEU report log serves as your certificate.**

**Please keep it for your records.**

**All information required to verify these contact hours if contacted by NBCC is contained on the report log (see page 1 of this form).**
